BARGE VACATIONS

Saint Louis Aquitaine & Midi Pyrenees, France (Gascony)

Imagine yourself gliding along a 19th century waterway through the breathtaking French countryside. The Saint Louis barge is a unique vacation experience that explores this 'hidden corner' of beautiful South-West France between main cities, Toulouse and Bordeaux. Cruising along the Canal de Garonne, two cruise routes are available that highlight the best of the Midi-Pyrenees and Aquitaine regions.

No matter what the cruise, soak up the ambiance on deck as the dappled sunlight filters through the trees as you pass picturesque farm houses, fields of sunflowers and be inspired by the canal's amazing feats of engineering. The colours, the textures, the fragrances, the bird song – this is the way France should be experienced onboard Saint Louis barge.
